Learn to play Tripa Chuca

Tripa Chuca is played with two people. Players will need a piece of paper and a pen or pencil.
Rules: Take your sheet of paper and write two sets of numbers (1-20) all over the piece of paper in random order, like this :

Flip a coin to determine who will go first.
Player 1 will draw a line from number 1 to the other number 1 without touching any other numbers or lines.
Player 2 will then draw a line from number 2 to the other number 2 without touching any other numbers or lines.
The game continues with each player taking a turn to connect the numbers. It may sound easy at first, but once you get to numbers 4 and 5, lines are everywhere. Hence the name, Tripa Chuca (Dirty Guts)!
